Challenge Soccer Club 2016-2017 Club Dues

Challenge is excited to introduce, the brand new "**All-In Plan**"

What is the All-in Plan? The All-in Plan is the 2016-2017 payment plan for Challenge Soccer Club. Each player will now pay one easy fee to Challenge Soccer Club that will cover nearly all* of the fees associated with Select Soccer.
**Uniforms are not included and will be handled by the individual through Soccer 4 All*

What about the Team Account that paid for player registration, league/game fees, and tournament fees? Teams will no longer be responsible for the collection and distribution of these fees. Being a Team Treasurer is a difficult job and we do not want them to work countless hours managing a team budget, depositing team payments, paying team registrations and fees and chasing delinquent payments. Challenge Soccer Club will now handle payments for all of these items.

Will my fees go up because of this? The All-in Plan is higher because the club is now taking on payments that the team budget once handled. Those fees are essentially getting rolled into the All-in Plan. **Families will no longer be required to pay Team Fees**.
